In accordance with Operating Procedure 134, *Promotional Selection Process*, this informational bulletin is providing an update of the intent to complete the promotional process for the rank of Technician II.

Only those candidates who are eligible will be permitted to participate in the testing. Due to logistical needs, the testing process for this promotional opportunity will occur in April 2024 with the finalized dates to be announced in a following general order. Technician II Task Books should also be submitted prior to the test dates.

### Eligibility:

In accordance with the Operational Policy 134, candidates will have completed the following to become eligible for this process:

1. Open to career personnel within the department who have completed one (1) years of service as a Technician I.
2. Certification as a Virginia EMT-B or higher with a current CPR certification.
3. Qualified to drive and operate fire and rescue apparatus within the county (except Rescues, Aerials, and Boats) prior to the test.
4. Successful completion of the Technician II task book.

### Testing:

Eligible candidates arriving to the testing site should be prepare with the following equipment:

- Personal Protective Clothing
- Helmet
- Gloves
- Eye and Hearing Protection

Candidates will be required to complete a 100-question written exam. The written exam will be constructed from knowledge contained within department Standard Operating Procedures, Rules and Regulations of Fauquier County Fire and Rescue System and the Northern Virginia Fire Departments Operating (NOVA) Manuals (regarding NOVA Manuals, please reference IB 24.016). All candidates will be completing the following three scenarios:

- Apparatus Inspection and Cone Course
- Attack Engine
